

Healthcare FP&A Financial Analyst / Accountant (RCM Experience Preferred | FQHC Preferred)

Location: Remote (U.S.-based)

Employment Type: Full-Time Hours

Overview

We are seeking a **Financial Planning & Analysis (FP&A) Analyst** to support financial planning, forecasting, and performance analysis for one or more ABW healthcare clients. This role connects financial outcomes with operational drivers, including revenue cycle performance.

Key Responsibilities

- Support budgeting, forecasting, and financial modeling
- Analyze financial and operational performance metrics
- Prepare executive and client-facing reporting
- Build and maintain financial models and dashboards
- Evaluate payer mix, reimbursement, and revenue trends
- Provide insights into revenue cycle performance (DAR, denials, collections)
- Partner with internal teams and clients on performance improvement initiatives

Qualifications

- Bachelor's degree in Finance, Accounting, or related field
- 3–6+ years of FP&A or financial analysis experience in healthcare (required)
- Strong Excel and financial modeling skills
- Experience with BI tools (Power BI, Tableau, etc.) preferred
- Familiarity with EHR/RCM systems (athena, Epic, eCW, etc.) preferred
- RCM experience preferred
- FQHC experience preferred
- Strong analytical and communication skills

Additional Requirements

- Must be authorized to work in the United States
- Fully remote, full-time role
